

FEEL THE THRILL

At Miracle Recreation®, we believe that every child deserves to play. Together, the goal of Miracle and its national network of local representatives is to make sure that everyone — from the kids and families who enjoy our products, to the people who own and operate them — feels the thrill and enjoys the physical, emotional and social benefits of play every day.

FEATURED PRODUCTS

GRAVITY RAIL™

With its innovative glide mechanism, the Gravity Rail brings round-trip track-ride thrills to the playground for the very first time. Kids will love pushing their limits as they cruise through the air in both directions, with sloped dips and curves along the length of the ride — no harness or operator required. Its flexible configuration works with a variety of playground layouts, with design elements that can be customized to fit your playground design or color palette.

Details about the Gravity Rail can be found on page 159.

The Gravity Rail is available in your choice of three track configurations, including a loop that attaches to a single structure platform or a straight or u-shaped track that spans two structure platforms.

Featured Crossway Climber

Crossway Climber, Small and Large

CROSSWAY CLIMBER

Inspired by the sport of bouldering, the Miracle Crossway Climber provides the thrills of rock climbing in the controlled safety of a playground setting. Its flexible design delivers multiple play opportunities, engaging children on the physical, social and imaginative levels with elevated climbs that give kids a greater sense of both risk and accomplishment. It's also a social play experience that establishes a gathering spot where children of different ages and abilities can enjoy playing together.

| Approx. Price | Product | Product Number | Ages | Protective Area | Capacity | Weight | Deck Heights |
|---------------|------------------------|----------------|------|-------------------------|----------|------------------|---|
| \$2,249 | Crossway Climber Small | 454-2 | 5-12 | 18' x 16' (5.5m x 4.9m) | 4 | 185 lbs (84 kg) | 1' or 2' |
| \$4,999 | Crossway Climber Large | 454-1 | 5-12 | 22' x 17' (6.7m x 5.2m) | 12 | 445 lbs (202 kg) | 1', 2', 3', 4' Tall Side 1', 2' Short Side |

Functionally link to decks of varying heights, ground-level play components, traditional play structures, existing Miracle components (including Kids' Choice®, Tots' Choice® and Physics®), or other Crossway Climbers to create obstacle-course-inspired ground play with a variety of play paths and challenge levels.

VARIOUS DECK TO DECK OPTIONS

SAMPLE CONFIGURATIONS

Featured Sensory Maze

SENSORY MAZE

Designed by a child development expert, the Miracle Sensory Maze combines the challenge of a traditional maze with imaginative play that enriches and thrills the senses. Children and adults of all ages and abilities, including those with sensory disabilities, can explore the distinctive textures, shapes and translucent colors of these reconfigurable panels by look and by feel, as a group or individually in their own, unique way. Those easily overstimulated by noise or activity can also find comfort in cozy, quiet spaces located throughout the maze.

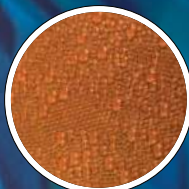

Dr. Tina Stanton is Associate Director of the Early Childhood Education and Human Development program at the University of Cincinnati and is on the Fulbright Specialist Roster for the US Department of Defense in the area of Education. She earned her PhD in Education and Human Development with a concentration in Special Education from Vanderbilt University. Dr. Stanton is also Associate Editor of the Journal of Early Intervention and the Journal of Remedial and Special Education and has authored articles in more than 50 top early childhood and special education journals.

SENSORY BENEFITS

- Designed by child development expert, Dr. Tina Stanton
- Provides sensory experiences for children and adults with sensory processing disorders, such as those on the autism spectrum
- Colorful, translucent panels with textured shapes offer additional play experiences and aesthetic appeal
- Parents and caregivers can view or join their kids for social interaction and intergenerational play
- Can be configured to any size, shape, or design for easy installation in new or existing spaces
- Reconfigure the maze after the first installation with the Miracle Versalok® clamping system
- Optional surfacing can be added to create even more fun and imaginative play environments

Take a closer look at our sensory panels.

Contact your local Miracle representative for available color and texture options.

Featured GlideAlong

682A

GLIDEALONG

Part swing, part track ride, the GlideAlong provides a swift, smooth glide back and forth suspended along an overhead rail. Each bay seats one rider on either a standard disc-style or an Inclusive Swing Seat. The accessible seat features an over-the-shoulder restraint, with a high-angled back and contoured sides for added support. The standard swing seat bays feature a platform on either end where kids start themselves down the rail by stepping on or pushing off of the platform.

This snug, supportive Inclusive Swing Seat offers all children a high-flying ride while helping them coordinate head and eye movements, stay upright against gravity, develop balance and equilibrium and coordinate actions on the right and left sides of the body.

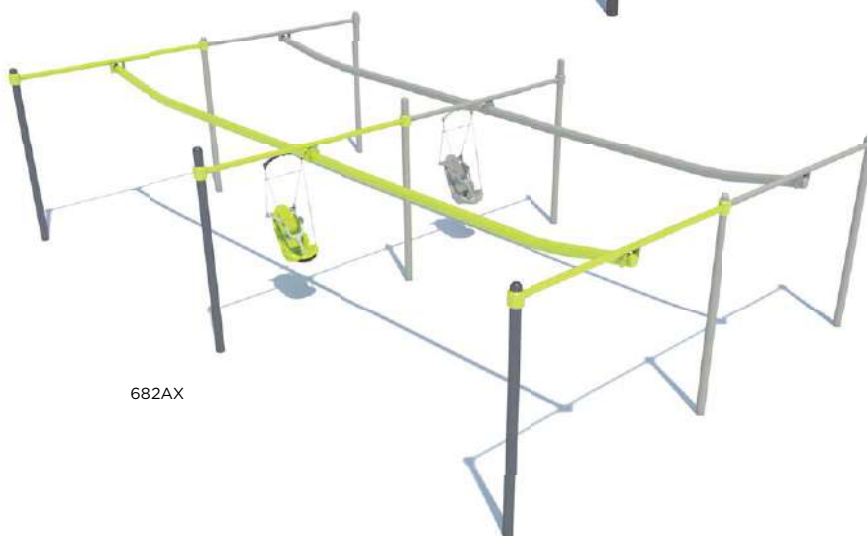

682

Available in a variety of configurations, the GlideAlong connects multiple bays so riders can enjoy a thrilling parallel play experience. GlideAlong bays can be configured in any combination of either standard or accessible versions.

682X

682AX

| Approx. Price | Product | Product Number | Ages | Protective Area | Capacity | Weight |
|---------------|--------------------------------|----------------|------|------------------------|----------|--------------------|

Featured Extreme Generation

The thrills have never been higher.

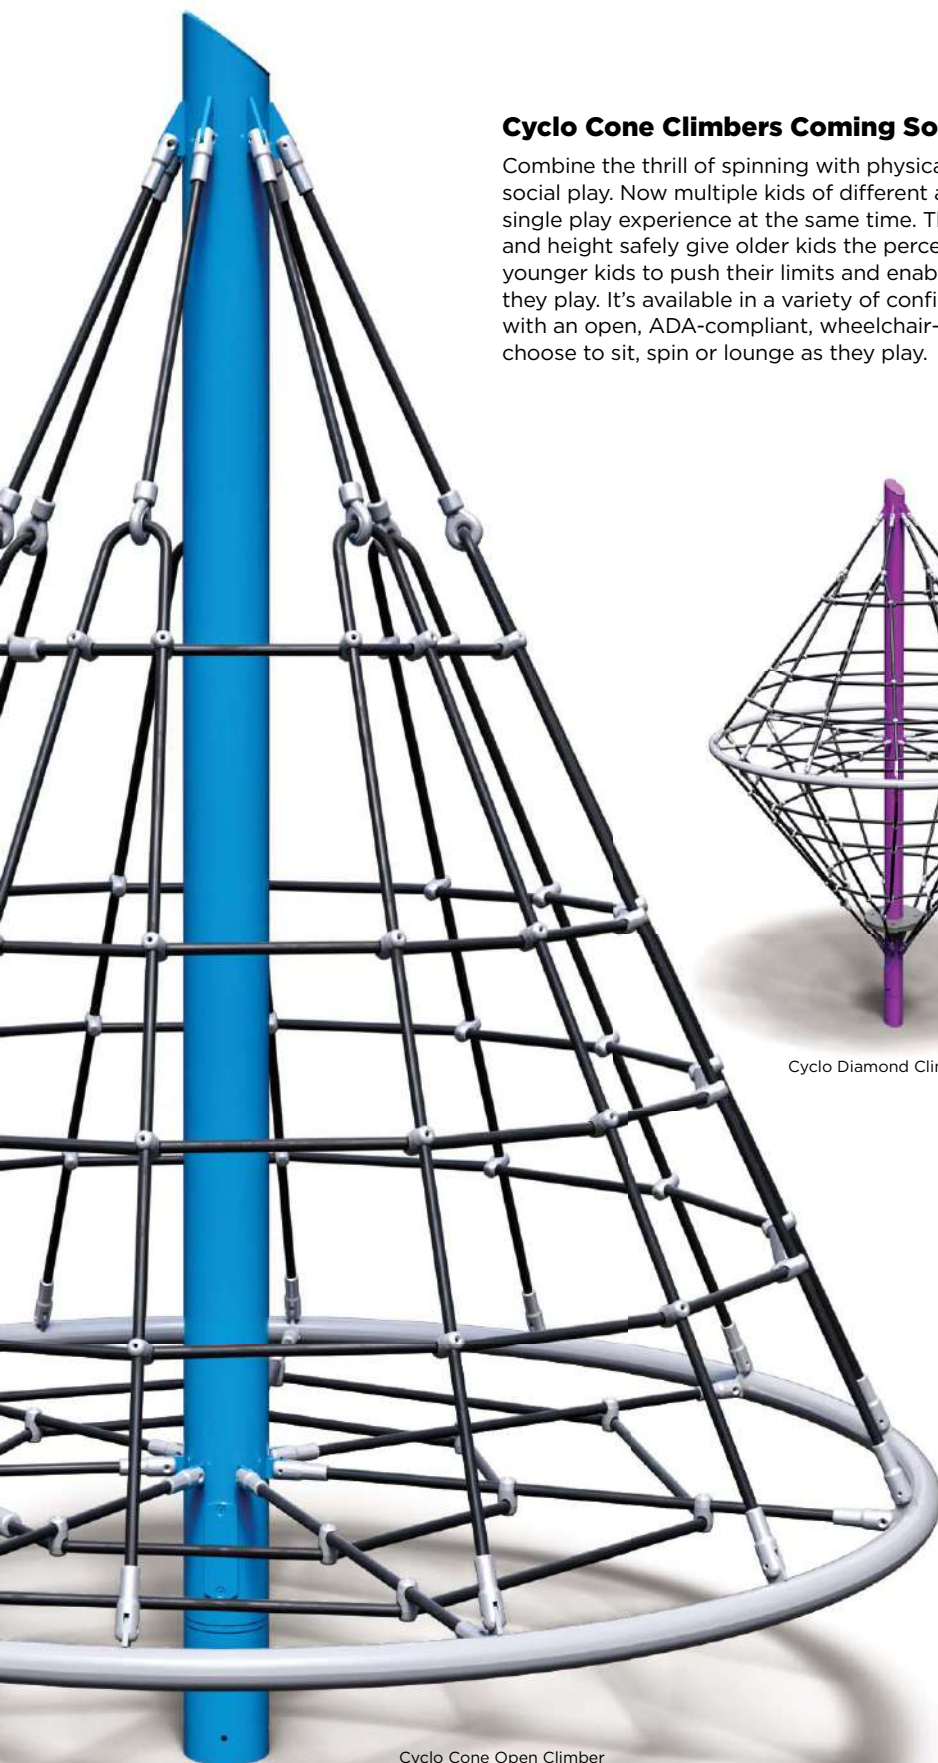

The Extreme Generation adventure playground gives today's kids the extreme physical challenges they demand. With its rope-course-inspired events, skyscraping towers and fully enclosed skyways, XGEN safely provides the perceived risk that keeps kids coming back for more high-flying thrills. Details about the Extreme Generation can be found on page 42.

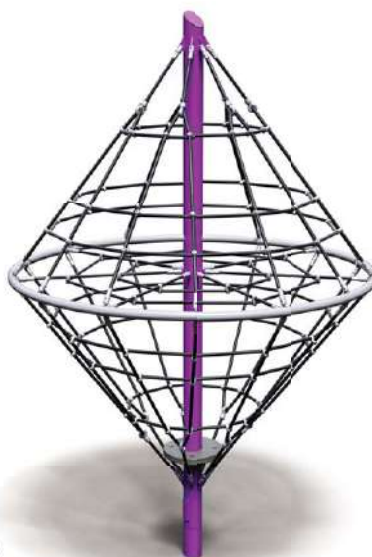

Featured Cyclo Cone Climbers

Cyclo Cone Climbers Coming Soon!

Combine the thrill of spinning with physical, cognitive, imaginative and social play. Now multiple kids of different ages and abilities can enjoy a single play experience at the same time. The Cyclo Cone's motion, speed and height safely give older kids the perceived risk they want, encourage younger kids to push their limits and enable parents to interact with kids as they play. It's available in a variety of configurations, including one model with an open, ADA-compliant, wheelchair-transferable base that lets kids choose to sit, spin or lounge as they play.

SMART DATA. SMART DECISIONS!

Biba's smart playground system unlocks the power of data in your community, which means that it's easier and easier for you to make better and better decisions around play. The Biba system is installed quickly, low maintenance, and doesn't require any electricity, lighting or other special modifications. Once the rugged augmented reality markers are mounted, the system is good for the life of your playground and will begin generating customized data for your community... data that is both kidSAFE® and COPPA compliant!

A NEW WAY TO PLAY

Biba's mission is to get kids off the couch and back outside for healthy family play. Thanks to peer-reviewed studies that show Biba is a healthy screen time alternative, our games now feature family-friendly, iconic brands like Sony's Hotel Transylvania, Teletubbies, and PBS KIDS Live! These familiar characters help unlock imaginative adventures that spark an entirely new way to play on your playground.

INCLUSIVE PLAY

THE FIVE FUNDAMENTALS FOUND IN EVERY **Playground For All**

Each Miracle Playground for All is designed to welcome everyone of different ages and abilities and supports the following five fundamentals:

PROVIDE MULTI-SENSORY PLAY EXPERIENCES:

- Vestibular (movement and balance)
- Proprioceptive (body position)
- Tactile (touch)
- Auditory (hearing)
- Visual

1

ENCOURAGE ALL CHILDREN TO PLAY BY:

- Providing a graduated range of challenge
- Grouping similar equipment together
- Offering equipment for multiple age groups
- Providing real choices of play for each child

2

ALLOW GREATER ACCESSIBILITY BY:

- Protective, shock-absorbing unitary surfacing
- Wide movement routes
- Smooth, even transitions on and off equipment

3

ENSURE KIDS DO NOT GET OVERWHELMED BY:

- Offering cozy, quiet spaces
- Establishing perimeter paths and fences
- Providing a wayfinding system that includes an orientation path

4

CREATE WELCOMING SOCIAL ENVIRONMENTS INCLUDING:

- Solitary play
- Onlooker play
- Parallel play
- Associative play
- Cooperative play

5

ENCOURAGE ALL CHILDREN TO PLAY

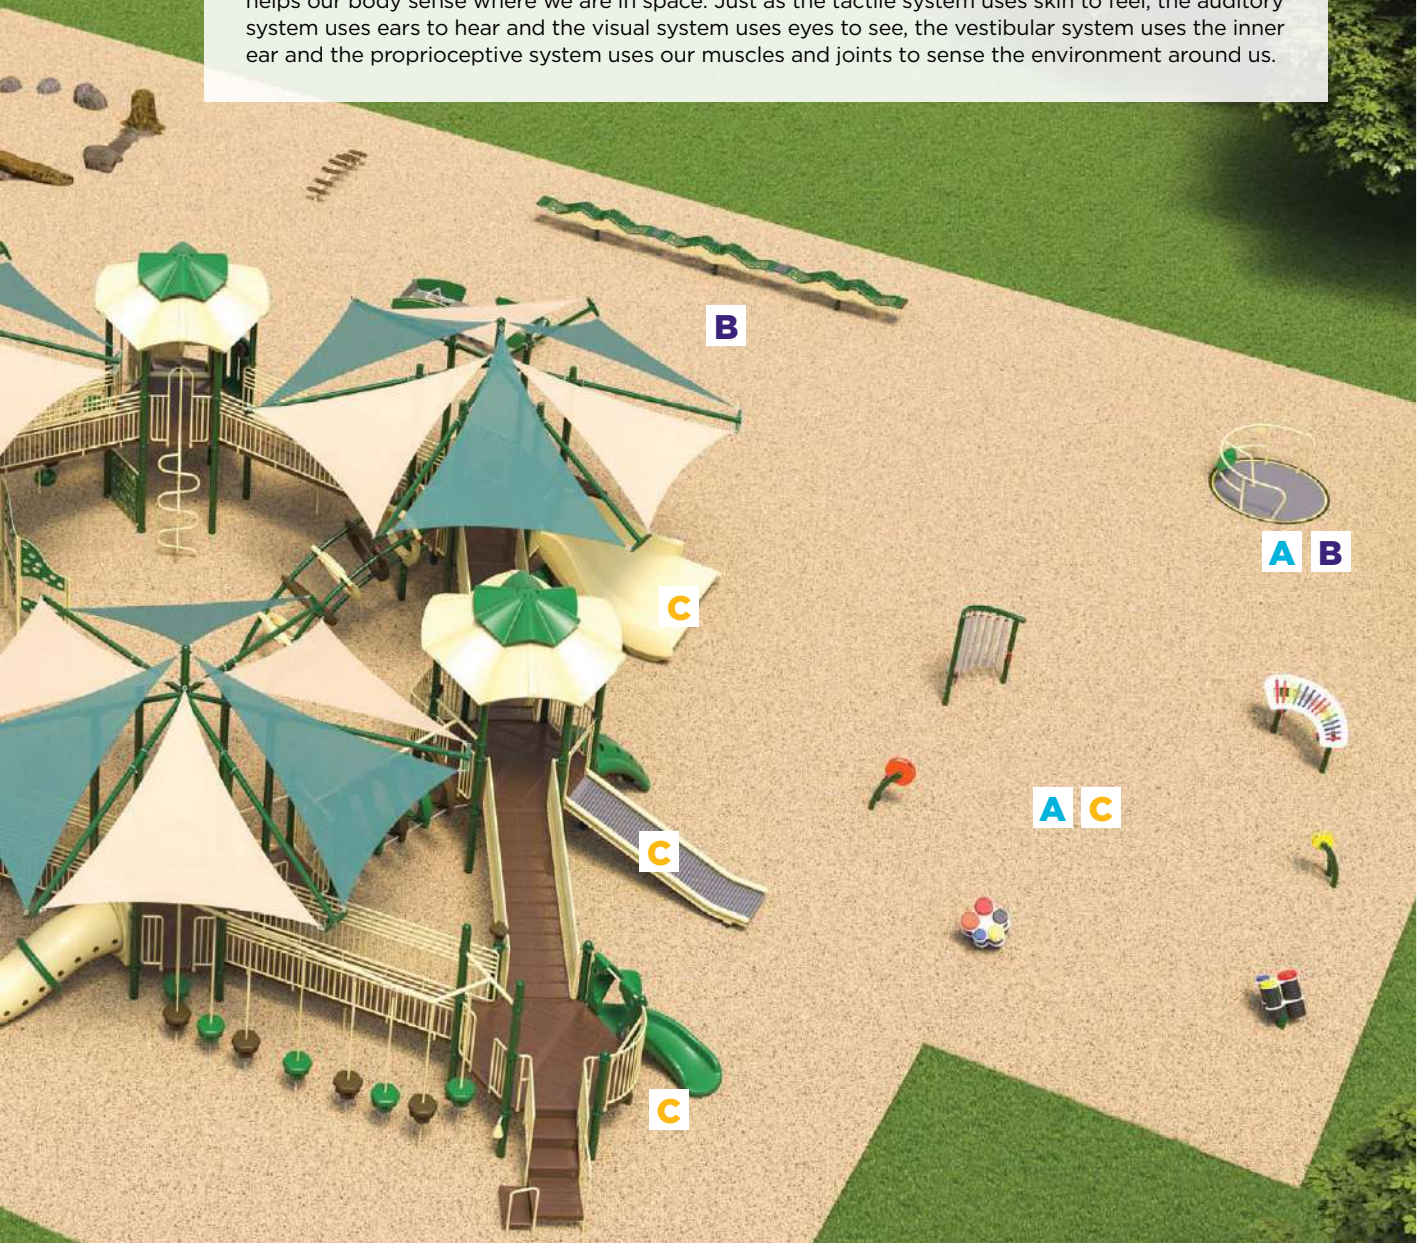

A key fundamental of a Playground for All is to encourage children of all ages and abilities to play, to be challenged, and to have fun. We use the following three strategies to choose and lay out equipment in ways that encourage social interaction:

A

We ensure that everyone gets to play by providing real play choices for people who use mobility devices. There are always multiple places for children who use wheelchairs to play on Playgrounds for All. These high-value play choices can be accessed by a simple transfer or by rolling up to or onto the equipment. **Accelerator Swing, Inclusive Swing Seat, Inclusive Whirl, Concerto, Accessible Ramp, Fun Tunnel**

Can you find all of the sensory play?

Hint: Don't forget about the vestibular and proprioceptive sensory systems. The vestibular system is all about our ability, desire or avoidance of moving through space, while the proprioceptive system helps our body sense where we are in space. Just as the tactile system uses skin to feel, the auditory system uses ears to hear and the visual system uses eyes to see, the vestibular system uses the inner ear and the proprioceptive system uses our muscles and joints to sense the environment around us.

B

We encourage all children to play together by grouping similar types of play — we put all the swings together, all the spinners together, all the climbers together, etc. Each play grouping provides three graduated levels of challenge — one easy, one very challenging and one in between. These groupings enable everyone to participate in the same type of play together, which allows for peer learning. In this design, there are three play groupings — one for swinging, one for climbing, and one for balancing/spinning. **Swings, Spinners, Reflex, Rocks**

C

On Playgrounds for All, we want to make sure that children of all ages will enjoy playing at the playground. This isn't a playground for just one age group. We have found that older children love playing on the Viper and Accelerator Swing and are challenged by the boulders. Younger children love to play with their parent on the Generation Swing and challenge themselves to go up the ramp and down a slide. Everyone, including adults, loves creating music with the Concerto instruments. **Viper, Accelerator Swing, Rocks, Concerto, Generation Swing, Slides**

PLAYGROUND DESIGNS THAT INVITE EVERYONE TO PLAY

You can use these pre-designed examples to build your own inclusive play environment, or create your own Playground for All with Miracle inclusive products found throughout this catalog. Remember to consider the **five fundamentals of Playgrounds for All** and to provide adequate shade to protect against harmful UV rays — children and adults who take medications for conditions such as epilepsy, cerebral palsy and autism are especially sensitive to sun poisoning and overheating.

Pre-Design CD223060

This suggested play environment incorporates top Miracle inclusive products, including: Alta Glide Inclusive Glider, Buddy Rocker, Concerto, Interactive Play Panels, Ten Spin, Inclusive Swing Seat

| Approx. Price | Product Number | Ages | Protective Area | Elevated Activities | Ground Activities | Capacity |
|---------------|----------------|------|----------------------------|---------------------|-------------------|----------|
| \$125,500 | CD223060 | 5-12 | 133' X 93' (41m X 28m) | 0 | 26 | 115-125 |
| \$368,000 | CD223224 | 5-12 | 157' X 100' (48m X 30.5m) | 34 | 36 | 420-430 |
| \$271,000 | CD223194 | 5-12 | 119' X 91' (36.3m X 27.7m) | 31 | 27 | 330-340 |

Pre-Design CD223224

This pre-design incorporates many different Miracle inclusive products, including: Accelerator Swing, Avalanche Inclusive Slide, Buddy Rocker, Concerto, Dome Climber with Orbs, Fun Tunnel, Inclusive Whirl, Interactive Play Panels, Reflex, Roller Slide, Inclusive Swing Seat, Viper

Pre-Design CD223194

This suggested play environment incorporates a variety of the top Miracle inclusive products, including: Accelerator Swing, Alta Glide Inclusive Glider, Buddy Rocker, Dome Climber with Orbs, Inclusive Whirl, Interactive Play Panels, Pull Along

All equipment for sale on this page meets ADA and IPED requirements. Miracle® strongly suggests that a safety sign stating age appropriateness and safety rules be displayed on every playground. An appropriate energy-absorbing surface is required under all play equipment. Actual colors may vary. Prices shown in this catalog do not include fencing, which is sold separately. Please contact your local Miracle representative for fencing prices and recommended inclusive fencing options.

Inclusive Play

Our Top INCLUSIVE PRODUCTS

The inclusive products found in Playgrounds for All are designed to support the five fundamentals and engage children by challenging them to solve problems, practice social skills, boost self-confidence and explore spatial awareness.

Following are several of our top inclusive products, which are designed to help captivate every child's imagination and help them develop their abilities in any playground environment. You'll also find more products from our inclusive collection located throughout this catalog.

Five Fundamentals of Playgrounds for All

- 1 Provides multi-sensory play experiences
- 2 Encourages all children to play
- 3 Allows greater accessibility
- 4 Ensures kids do not get overwhelmed
- 5 Creates welcoming social environments

Concerto

Concerto instruments help us meet the fundamental of “encourage all children to play,” as they are enjoyed by everyone including older adults, people with disabilities and very young children. This unique play experience connects people in outdoor environments in new and interesting ways. Concerto creates accurate musical tones with musical instruments that enable you to perform real songs. An angled design also allows all children to join in on the music making. Details about Concerto can be found on page 106.

1 2 3 5

Alta Glide Inclusive Glider

This swaying, bouncing, wheelchair-accessible glider makes play exciting for all kids. The push-pull motion helps kids develop balance, coordination, eye tracking and muscle tone. Wheelchair access ensures that all children have the chance to feel the exhilaration of moving through space in fun, enriching ways. Details about Alta Glide can be found on page 103.

1 2 3 5

Viper

The Viper is a giant in-line rope swing designed for a single or multi-user experience. It combines balancing, swinging and rocking movements with play interaction. Unlike traditional swings, Viper promotes cooperative play requiring teamwork and balance. Enjoyed by people of all ages, the open design enables a parent or caregiver to easily supervise and provide additional support as needed. Details about Viper can be found on page 103.

Five Fundamentals of Playgrounds for All

- 1 Provides multi-sensory play experiences
- 2 Encourages all children to play
- 3 Allows greater accessibility
- 4 Ensures kids do not get overwhelmed
- 5 Creates welcoming social environments

Inclusive Whirl

Now children of all abilities can enjoy the thrills of spinning together. This inclusive spinner is built level with the ground, making it easy to board with space for up to two wheelchairs at once. An additional single seat provides extra physical support for kids or caregivers, while kids of different heights can hold on securely to sloping handrails. Details about the Inclusive Whirl can be found on page 105.

1 2 3 5

GlideAlong

Part swing, part track ride, the GlideAlong provides a swift, smooth glide back and forth suspended along an overhead rail. Each bay seats one rider on either a standard disc-style or an inclusive swing seat. The accessible seat features an over-the-shoulder restraint, with a high-angled back and contoured sides for added support. The GlideAlong helps activate and integrate the important sense of movement and gravity in new and interesting ways. Connect the multiple bays so riders can enjoy a thrilling parallel play experience. Details about the GlideAlong can be found on page 10.

1 2 5

Inclusive Play

Top Inclusive Products

Reflex

Children can ride the waves and enjoy the up-and-down motion of the Reflex. Multiple children can work together to achieve a smooth, swaying movement. The up-and-down movement that is hard to find on most playground equipment not only provides crucial vestibular sensation but also supports the development of balance, postural control and core strength and position awareness. Details about the Reflex can be found on page 104.

1 2 5

Roller Slide

The Roller Slide lets kids experience a new tactile way to slide with the added movement and texture of rollers beneath them. The Roller Slide offers a tactile component combined with both movement — activating the vestibular sense — and sensation to muscles and joints, providing proprioceptive input.

Details about the Roller Slide can be found on page 165.

Five Fundamentals of Playgrounds for All

- 1 Provides multi-sensory play experiences
- 2 Encourages all children to play
- 3 Allows greater accessibility
- 4 Ensures kids do not get overwhelmed
- 5 Creates welcoming social environments

Accelerator Swing

Built with a large disc and protective rubber bumper, this group swing incorporates the motion of a traditional swing with the added fun of interactivity. The Accelerator Swing helps activate and integrate the important sense of movement and gravity — the vestibular sense. Children can sit or lay on the swing and adults can join in the fun and provide additional support for a child. Details about the Accelerator Swing can be found on page 127.

1 2 5

Ten Spin

This popular, freestanding event allows children of all abilities to join in the fun by either sitting, kneeling, or standing. In addition to the benefits of the rotary motion to support balance, the shaped, deep seats offer postural support, providing helpful boundaries for children who need help recognizing and adjusting the position of their bodies.

Details about the Ten Spin can be found on page 105.

STRUCTURES

- | | | | |
|-----------|--------------------|------------|-------------------|
| 32 | Structure Types | 80 | Center Stage® |
| 34 | Custom | 86 | Tots' Choice® |
| 42 | Extreme Generation | 96 | Themed |
| 52 | Mega Tower® | 98 | Fitness Clusters |
| 66 | Kids' Choice® | 100 | Toddler's Choice® |

Structures

At Miracle, our play structures anchor our playgrounds, launch imaginations and attract the attention of kids, families and communities everywhere. We never stop pushing the limits, making our structures more innovative and durable, safer and longer lasting, more challenging and fun — so kids of all ages, abilities and interests can enjoy playing together in more thrilling ways for years to come.

Custom Ages 2-12 / p.34

If you have something truly unique in mind, our Custom Design Studio can bring anything you imagine to life. Together we can turn any of our play structures into a one-of-a-kind playground destination that families will enjoy coming back to for years to come.

Extreme Generation Ages 5-12 / p.42

This towering adventure playground provides challenging physical events for children seeking extreme play. Its design brings play to new heights, with innovative, fully-enclosed skyways that provide elaborate rope course-inspired activities far above ground—safely adding an element of perceived risk to any play space.

Mega Tower® Ages 5-12 / p.52

With some of the highest enclosed slides in the industry, the Mega Tower structure reaches up to 25 feet tall and comes in double and triple-deck systems to make these playgrounds impressive and unforgettable.

Kids' Choice® Ages 2-12 / p.66

Kids' Choice elements are compatible with our other product lines and can be customized to fit any space and age group. These systems are built to last, with durable materials, smart coating, and heavy-duty 5-inch galvanized steel posts.

Center Stage® Ages 2-12 / p.80

Our Center Stage systems are designed around a single pedestal keeping children in sight at all times. Their bold colors and challenging play components are also designed to make these systems a centerpiece of any playground.

Tots' Choice® Ages 2-12 / p.86

The Tots' Choice system offers big play value, flexibility and innovative features at any budget. It's our most budget-friendly product line ever, compatible with any age range and built to last with 3.5-inch posts.

Themed Ages 2-12 / p.96

Themed play spaces inspire imaginative role play and social cooperation. Just let us know what you have in mind — castles, trains, nature, ships, and more. Themed structures add extra character to any playspace.

Fitness Clusters Ages 5-12 / p.98

Our Fitness Clusters help kids develop flexibility and cardiovascular health while building coordination, balance and endurance. Designed for ages 5-12, these modern play structures combine fun playground elements with physically challenging fitness components to keep kids fit and healthy.

Toddler's Choice® Ages 2-5 / p.100

Our Toddler's Choice playgrounds pack big fun into a small system designed especially for 2-5 year olds. These structures have been a top choice for years— not just with toddlers, but also with daycares, preschools and churches.

Structures Custom

Kimmel Orchard - Nebraska City, Nebraska

Kimmel Orchard, a working apple orchard, wanted to create a playground that combined recreation with education about the natural world. After talking with the orchard's owners, the Miracle Custom Design Studio created the Pollinator Playground, which pays tribute to the bees, fruit and flowers that make the orchard and the community grow and thrive.

Structures Custom

Vail Ranch - Temecula, California

The Miracle Custom Design Studio paid tribute to the area's Old West heritage, designing several custom facades that matched historic buildings such as the original Old National Bank and Hotel Temecula.

Structures Custom

Nicolas Road Park - Temecula, California

The Miracle Custom Design Studio transformed this play structure into a towering pirate ship, complete with slides and shades for sails. The playground also features a Miracle Accelerator Swing, a group swing that incorporates the motion of a traditional swing with the added fun of interactivity.

Structures Custom

Camp Snoopy Playground at Carowinds
Charlotte, North Carolina

Carowinds, a family amusement park located in Charlotte, North Carolina, recently added a new area called Camp Snoopy, which celebrates the natural beauty of the Carolinas. The Miracle Custom Design Studio designed an 8,000-square-foot playground area named "Beagle Scout Acres," with campground-style custom play structures named after classic Peanuts characters.

494101 Approx. Price: \$16,950
 Protective Area: 20' x 18' (6m x 5.5m)
 Product Dimensions: 8' x 5' x 10'
 (2.4m x 1.5m x 3m)

Kid Rock
494107 Approx. Price: \$7,810
 Protective Area: 21' x 16' (6.4m x 4.9m)
 Product Dimensions: 9' x 3' x 6'
 (2.7m x 1m x 1.8m)

Lookout Rock
494108 Approx. Price: \$17,740
 Protective Area: 20' x 18' (6m x 5.5m)
 Product Dimensions: 8' x 5' x 9'
 (2.4m x 1.5m x 3m)

Ramp Rock
494110 Approx. Price: \$4,390
 Protective Area: 21' x 16' (6.4m x 4.9m)
 Product Dimensions: 9' x 4' x 3'
 (2.7m x 1.2m x 1m)

Iguana Rock
494111 Approx. Price: \$5,940
 Protective Area: 23' x 17' (7m x 5.2m)
 Product Dimensions: 10' x 4' x 5'
 (3m x 1.2m x 1.5m)

Stump Rock
494112 Approx. Price: \$7,660
 Protective Area: 20' x 17' (6m x 5.2)
 Product Dimensions: 7' x 5' x 6'
 (2m x 1.5m x 1.8m)

Gecko Rock (formally Bench Rock)
494114 Approx. Price: \$2,270
 Protective Area: 20' x 16' (6m x 4.9m)
 Product Dimensions: 8' x 3' x 3'
 (2.4m x 1m x 1m)

Cave Rock
494115 Approx. Price: \$5,700
 Protective Area: 19' x 17' (5.8m x 5.2m)
 Product Dimensions: 7' x 4' x 6'
 (2m x 1.2m x 1.8m)

Pirate Rock
494117 Approx. Price: \$5,940
 Protective Area: 20' x 16' (6m x 4.9)
 Product Dimensions: 8' x 4' x 6'
 (2.4m x 1.2m x 1.8m)

Lizard Log
494118 Approx. Price: \$4,700
 Protective Area: 22' x 16' (6.7m x 4.9m)
 Product Dimensions: 10' x 3' x 4'
 (3m x 1m x 1.2m)

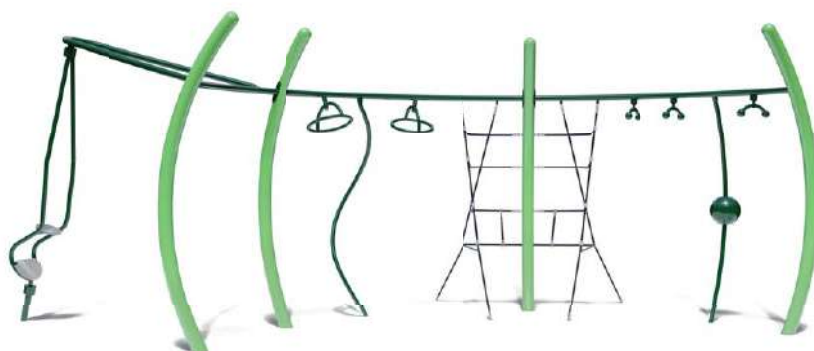

Angle Log
494119 Approx. Price: \$3,560
 Protective Area: 20' x 15' (6m x 4.5m)
 Product Dimensions: 7' x 2' x 4'
 (2m x 1m x 1.2m)

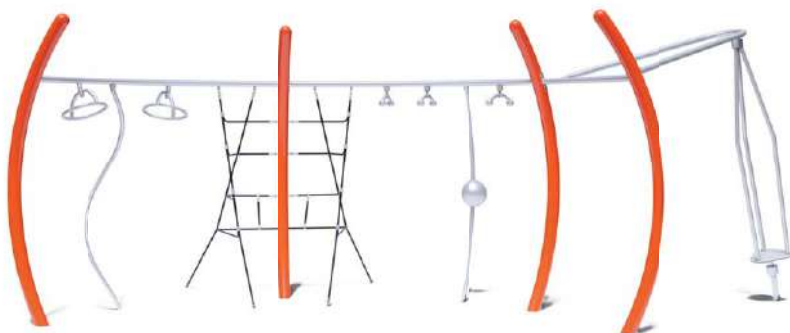

Forked Log
494120 Approx. Price: \$3,020
 Protective Area: 21' x 16' (6.4m x 4.9m)
 Product Dimensions: 8' x 3' x 2'
 (2.4m x 1m x .6m)

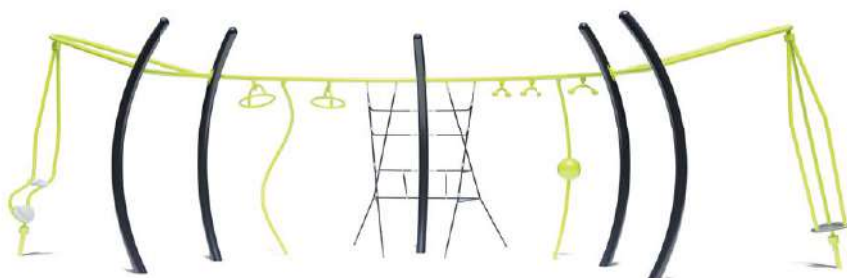

Velocity 1
466-S001 Approx. Price
 with nets: **\$9,220**
 Ages: 5-12

Outdoor Training Systems

Whether the experience is fast-paced with maximum effort or simply stretching under the sun, our Outdoor Training System offers a comprehensive exercise system focused on improving strength, building muscle, increasing cardiovascular fitness, and burning fat. Place it along a fitness trail, workout zone, high school or college field. Five exercise stations can be used as stand-alone events or configured together, creating the perfect outdoor training environment for either small groups or individual workouts.

WHY MIRACLE[®]

Miracle brings you the thrills of a lifetime.

Miracle is one of the nation's first and most innovative playground equipment manufacturers. We first began shaping the future of play in 1927 when our founder Johnnie Ahrens created the Whirl — a tilting, kid-powered merry-go-round — based on the timeless insight that, **"Kids want action."**

That same inspiration has driven more than 90 years of innovation, including the introductions of the first fiberglass slide (1963), the 25-foot Mega Tower® (2000s), and the Avalanche Inclusive Slide (2015). Our latest advance, the Extreme Generation adventure playground, delivers challenging physical events for kids seeking extreme play. Its design brings play to new heights, with innovative, fully-enclosed skyways that provide elaborate rope-course-inspired activities far above ground, safely adding an element of perceived risk to any play space. This never-ending dedication to innovation is the reason why, even after more than 90 years, the Miracle legacy remains focused on building yours.

The Miracle Advantage

We believe the experience of building a playground should be as intuitive as playing on it. From design, specification, funding, purchasing and installation, we'll be with you every step of the way. Our customized design process is free because there should never be a charge to dream.

Let's get you started by envisioning a playground that is meant for your community and right for your budget. It's why our legacy has always been about building yours.

VERSALOK®

Our clamp design eliminates the need for stacking multiple clamps and features a stainless steel tamper resistant fastener.

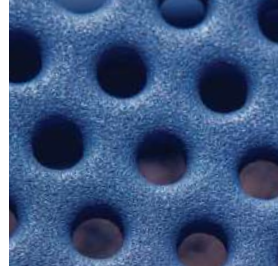

COMPOUNDED RESIN

Provides superior strength and durability, advanced color fastness and UV resistance.

GATOR GRIP®

The 3D textured pattern makes it easy for kids to make their next moves.

MIRA-THERM™

This textured vinyl coating for deck surfaces helps prevent rapid heat transfer, while the hole pattern keeps little fingers safe.

SAFETY

We're committed to providing equipment that meets and/or exceeds the performance safety specifications established by organizations such as ASTM, CPSC, CSA, CPSIA, IPEMA and EN. To verify product certification, visit www.ipema.org.

Purchasing + Funding

SOURCEWELL

We are a proudly awarded contract holder with Sourcewell (formerly known as NJPA — the National Joint Powers Alliance), a government-sourcing program that assists public agencies with the costs of their purchased goods by pooling purchasing power. Sourcewell members enjoy quality products, exceptional service and nationally leveraged contract pricing. Contract #030117-LTS

Membership is free!

Call your sales representative or go to Sourcewell-mn.gov and sign up today.

NATIONAL COOPERATIVE LEASING

If budget is ever a concern for your municipal playground purchase, you can take advantage of a government financing program through National Cooperative Leasing. NCL is the only Sourcewell-awarded vendor offering government financing programs to the cooperative membership.

Now the power of cooperative purchasing is stronger than ever. You can purchase the highest quality playground equipment in the industry with a competitively bid Miracle contract and finance your new purchase with a competitively bid government financing program through NCL.

Get your playground today with the funds already raised. Local fundraising is a great funding opportunity that energizes the entire community. The NCL Finance Program can stretch those fundraising dollars fourfold.

To learn more about this program, call 320.763.7600 or visit NationalCooperativeLeasing.com.

THE MIRACLE **FUNRAISING™** PROGRAM

With our help, your organization will be able to raise enough funds for a new playground in no time. Miracle offers customized FunRaising programs for every group, along with free supplies, 50% profit on food and non-food programs, fundraising kickoff packets and expert help.

Call our FunRaising Hotline at 888.683.0049.

Join hundreds of communities whose playground dreams have been brought to life.

MARLIN

Marlin is a direct lender providing financing to businesses so they can acquire new equipment and technology while preserving capital.

KaBOOM!

Miracle is an official partner in play. Apply for a KaBOOM! Playful Cities playground grant to fund a playground in an underserved community.

MAKE AN IMPACT FOUNDATION

Making an impact to end the crisis of play in America.

The Make An Impact Foundation (MAIF) brings the voices of underprivileged children into the community by creating a project platform for the communities it serves. They want to create a place where all kids have equal opportunity and ability to play freely without barriers to growth, dreams and imagination.

As part of its mission, the Make An Impact Foundation and its partners, Miracle Recreation and Sinclair Broadcast Group, one of the nation's largest and most diversified television broadcasting companies, are working to reverse the decline of outdoor play in America. This crisis of play has a negative impact on the physical, emotional and social wellbeing of kids, families and communities throughout the nation.

Through this partnership, our goal is to bring local sponsors and the community together to raise funds to build new playgrounds that will bring back the benefits of play and strengthen communities across America.

To learn more about MAIF go to makeanimpactnow.org.

Certifications

- ISO 9001 Certification: The International Standards Organization is a network of national standard institutes from 146 countries that work in partnership with international organizations, governments, industry, business and consumer representatives to develop universal standards for quality, environmental and management processes. The Miracle ISO 9001:2015 certification demonstrates documented, world-class manufacturing quality control practices are being employed to support our quality commitment to you.

- The space requirements in this catalog are shown to ASTM standards. Requirements for other standards may be different.

- European Norm EN-1176. Miracle offers playgrounds that have been certified by TÜV Product Service, the recognized testing house designated by the European Union. This certification demonstrates compliance with the European Harmonized Standard for Commercial Play Equipment, EN 1176.

- The Miracle Recreation Equipment Company processes and factory are certified as compliant to ISO 14001:2015 Environmental Management Standards.

- IPEMA Member: Miracle is a member in good standing of the International Play Equipment Manufacturer's Association (IPEMA), a member-driven international trade organization which represents and promotes an open market for manufacturers of play equipment.

- In the interest of playground safety, IPEMA provides a Third Party Certification Service whereby a designated independent laboratory validates a participant's certification of conformance to ASTM F1487, Standard Consumer Safety Performance Specification for Playground Equipment for Public Use, except sections 10 & 12.6.1; CAN/CSA Z614, Children's Play Spaces and Equipment, except clauses 9.8, 10 & 11; or both. The use of the corresponding logo in the Miracle catalog signifies that Miracle has received written validation from the independent laboratory that the product(s) associated with the use of the logo conforms with the requirements of the indicated standard. Check the IPEMA website at www.ipema.org to confirm product validation.

- Canadian Welding Bureau Certified

- "In the interest of playground safety, The International Play Equipment Manufacturers Association (IPEMA) provides a Third Party Certification Service whereby TÜV SÜD America Inc., (TÜV) validates a surfacing manufacturer's certificate of conformance to ASTM F1292, Standard Specification for Impact Attenuation of Under and Around Playground Equipment; and for an engineered wood fiber manufacturer its certification of conformance, also to ASTM F2075, Standard Specification for Engineered Wood Fiber for Use as a Playground Safety Surface Under and Around Playground Equipment, Section 4.4, for testing Sieve Analysis, Section 4.5, for testing for the presence of Hazardous Metals, and Section 4.6, for testing the Presence of Tramp Metals; and for a Loose Fill Rubber manufacturer its certification of conformance, also to ASTM F3012, Standard Specification for Loose Fill Rubber for Use as a Playground Safety Surface Under and Around Playground Equipment, Section 4.2, Sieve Analysis, Section 4.3, for testing for the presence of Hazardous Metals, Section 4.4, for testing the Presence of Tramp Metals, Section 4.5, for testing for the presence of Sharp Tramp Metals Content, and Section 4.6, for testing for Total Lead Content. The use of the corresponding logo in the Miracle catalog signifies that Miracle has received written validation from the independent laboratory that the product(s) associated with the use of the logo conforms to the requirements of the indicated standard. Check the IPEMA website (www.ipema.org) to confirm product validation, its thickness and critical height."

Miracle® Limited Warranty

Miracle Recreation Equipment Company warrants its products against structural failure due to defects in materials and workmanship for the warranty periods and material categories prescribed below.

- 1. Limited warranty for as long as you own the product:** Aluminum deck posts, steel deck posts, VersaLok fastening system, and associated fastening hardware.
- 2. Limited fifteen (15) year warranty:** All rigid steel playground components, decks, steps, and weldments, rotationally molded and sheet plastic components, plastic lumber, roof panels, and stainless steel slides, except as otherwise specified below.
- 3. Limited ten (10) year warranty:** Fabric shade steel frames and Shadesure fabrics (Note Exception: Limited Five (5) Year Warranty on Shadesure fabrics in colors Red, Yellow, Electric Purple, Zesty Lime, Cinnamon and Olive.)
- 4. Limited eight (8) year warranty:**
 - Fiberglass signage, accessible swing seats, precast PolyFiberCrete or precast concrete products.
 - Play Terrain Synthetic Turf safety surfacing against deterioration of specified attenuation performance and appearance.
 - Playcover fabric and components against rot, UV deterioration and defects in materials and workmanship (Note Exception: Limited Three (3) Year Warranty for fabric in shades of red).
- 5. Limited five (5) year warranty:**
 - Heavy duty diamond barrier mesh and Kidrox Climbing Rocks.
 - Miratherm PVC coating against cracking or peeling.
 - Park and Site Amenities (i.e. benches, tables, trash receptacles, etc.).
 - Steel core cable nets and rope fittings and connections (Note Exception: Warranty does not cover normal wear and tear such as fraying or fading of cable coating).
- 6. Limited three (3) year warranty:** Flexible belting, plastic border timbers and accessories, and electronic panel speakers, sound chips, and circuit boards.
- 7. Limited one (1) year warranty:**
 - Slashproof Swing Seats, 360° Bucket Tot Swing Seats, and Tuff Net no climbing mesh.
 - Pool slide support structures, stairways, landings, and railings.
 - All other products and components that are not specifically listed above, including, without limitation, all moving parts, such as swing hangers, swivels, chains, whirls, springs, and flexible components, and all high wear items, such as trolleys, cables, wheels, and bumper stops related to rail and cable ride products.

Buyer's Remedy: If any products prove defective or non-conforming under normal use and within the above-prescribed warranty periods and material categories, Buyer must promptly notify Miracle in writing at 878 E. Hwy 60, Monett, MO 65708 USA. Miracle may elect to inspect the alleged defect at Buyer's site or at Miracle's facility. Buyer shall not return products to Miracle unless authorized by Miracle to do so. Authorized returns must be properly packaged and shipped prepaid and insured, at Buyer's expense. Upon verification of warranty coverage, Miracle may elect, in its sole discretion, to repair defective or non-conforming products, or replace them by delivering products or part(s) free of charge to the site. Miracle's limited warranties do not cover the cost of labor to remove defective or non-conforming part(s) or to install repaired or replacement part(s). By use of these limited warranties, Buyer accepts their terms and limitations, and waives any rights it would otherwise have to claim or assert that such warranties fail of their essential purpose. Buyer agrees that venue for any court action to enforce these limited warranties shall be in Barry or Greene Counties in the State of Missouri.

Limitations: All warranty periods begin on the date of Miracle's invoice. Repaired and/or replacement part(s) are warranted only for the balance of the original limited warranty period. Warranties extend only to the original Buyer/end user for products purchased from Miracle or a Miracle authorized reseller, and are not transferrable.

Warranties apply only to Miracle products that are erected and installed in conformance with Miracle's installation instructions, and that are maintained and inspected in conformance with Miracle maintenance and operational instructions.

Warranties specifically do not cover Miracle products:

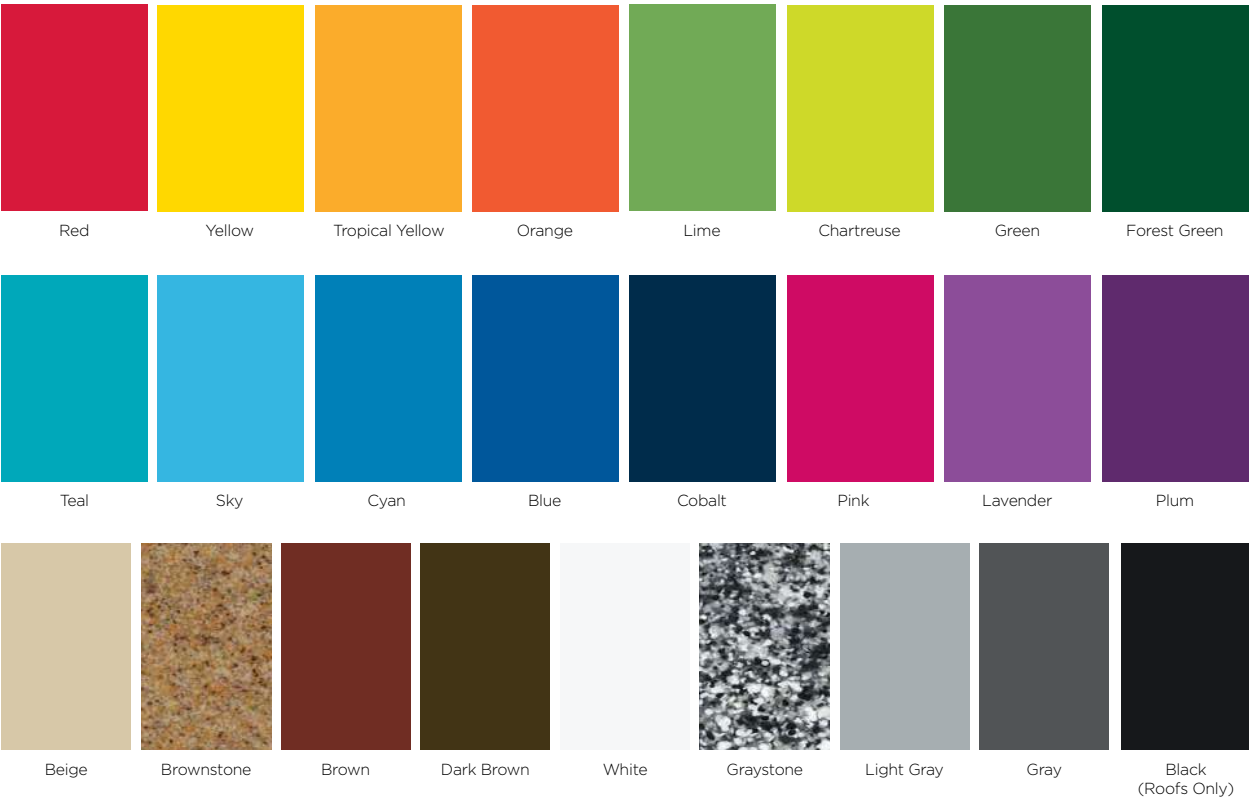

- for cosmetic damage or flaws occurring under normal use, such as surface scratches, minor chips, hairline cracks, dents, mar-
ring, efflorescence, color fade (except for PlayCover® shade fabric as noted above), discoloration, corrosion, fraying, or warping
of recycled plastic lumber;
- that have been modified, altered, or repaired by unauthorized third parties;
- that have not been used as designed or intended, or misused;
- to which non-Miracle parts have been added or substituted;
- that have been removed from their original location and re-installed elsewhere, without pre-approval by Miracle;
- or that have been damaged due to excessive wear and tear, vandalism, abnormal use, abuse, negligence, environmental factors
(such as wind-blown sand, salt spray, or airborne emissions from industrial sources), extreme weather (such as hail, flooding,
lightning, tornados, sandstorms, earthquakes, or wind storms), and acts of God.

THE FOREGOING LIMITED WARRANTY IS THE SOLE AND EXCLUSIVE WARRANTY FOR SELLER'S PRODUCTS, AND IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, IN LAW OR IN FACT. SELLER SPECIFICALLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ALL IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE OR PURPOSE, AND ANY IMPLIED WARRANTIES ARISING OUT OF COURSE OF DEALING OR PERFORMANCE OR TRADE USAGE. SELLER SHALL NOT BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES, OR ANY LOSS OF REVENUE, PROFIT OR USE, ARISING OUT OF A BREACH OF THIS WARRANTY OR IN CONNECTION WITH THE SALE, INSTALLATION, MAINTENANCE, USE, OPERATION OR REPAIR OF ANY PRODUCT. IN NO EVENT WILL SELLER BE LIABLE FOR ANY AMOUNT GREATER THAN THE PURCHASE PRICE OF A DEFECTIVE PRODUCT.

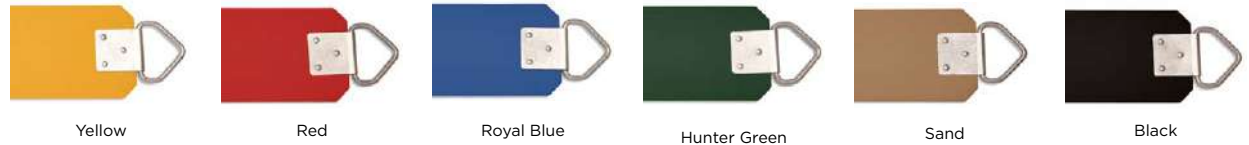

Color Choices

ROCK-ITE® PLASTIC COLOR CHOICES

Roofs, Slides, Big Timber® Components, Crawl Tubes, Bongos™, Bumpers and Panels.

MIRACLE SWING SEAT COLORS

MIRA-LENE™ PANEL COLOR CHOICES

Color Choices

MIRA-COTE® POWDER-COATED PAINTED METAL COLOR CHOICES
