

# Color Choices

## ROCK-ITE™ PLASTIC COLOR CHOICES

Roofs, Slides, Big Timber® Components, Crawl Tubes, Bongos™, Bumpers and Panels.

## MIRA-COTE™ POWDER-COATED PAINTED METAL COLOR CHOICES

Posts, Arches, Swings and Accents (Railings & Climbers).

## ANTI-MICROBIAL PAINTED METAL COLORS

This proprietary treatment helps prevent bacterial mold, algae growth and stains.

## MIRA-LENE™ PANEL COLOR CHOICES

## TEXTURED MIRA-THERM™ COLOR CHOICES

Mira-Therm™ coatings for Decks, Steps, Ramps, Bridges and Cargo Climbers are available in either orthophthalate-free Mira-Therm™ 2 (vinyl) or Mira-Therm™ PE (polyethylene)-based coatings with anti-microbial enhancements.

## MIRACLE SWING SEAT COLORS

Miracle® uses high quality materials and state of the art manufacturing processes. Commercial playgrounds and products are subjected to years of environmental and solar exposure. Such extreme exposure takes its toll on paints and pigments, and all colors will fade over time. So Miracle® does not warrant against color fading or discoloration. It is important to properly maintain your playground to ensure its longevity. Depending on environmental conditions at your location, the installation of fabric shade structures may help to delay fading and discoloration. Actual colors in catalog may vary due to four color printing process.
